Accrued paid vacation, compensatory or sick leave (if medically required) time shall be utilized first and shall count towards the leave.

Section 2.

The Employer may grant, in addition to family/medical leave covered in Section 1 of this Article, a leave of absence without pay to an employee. An employee must request, in writing, all leaves of absence without pay. The request shall state reasons for taking leave of absence and the dates for which such leave is being requested. All compensatory time and vacation time must be exhausted prior to any leave without pay. If medical, all sick leave accumulation must also be exhausted prior to any leave of absence without pay.

An employee who fails to return to duty within three (3) working days of the completion or a valid cancellation of a leave

of absence without pay, without explanation to the Employer or his designee, may be removed from the employment of Lake County Prosecutors Office. An employee who fails to return to service from a leave of absence without pay and is subsequently removed from the service is deemed to have a termination date corresponding to the starting date of the leave of absence without pay.

Section 6. - RETURN TO SERVICE

Upon completion of a leave of absence without pay, the employee shall be returned to the same or similar position with the employee's former classification. The employee may be returned to active pay status prior to the originally scheduled expiration of the leave if such earlier return is agreed to by both the employee and the Employer.

Section 7. - SERVICE CREDIT

Authorized leaves of absence without pay will count as service credit for seniority for layoff purposes, provided the employee is properly returned to service and is not serving a probationary period. Employees that do not return to service from a personal leave of absence shall not receive service credit for the time spent on such leave.

- D. Sick Leave Usage. A pregnant employee shall be permitted to use any or all of the employee's accumulated sick leave credit only for the period of time, as certified by the physician's certificate, except as set out in B above, that the employee is unable to work as a result of pregnancy, childbirth, or related medical conditions. Section 13. - MILITARY LEAVE WITHOUT PAY

The provisions of this rule do not apply to an employee who re-enlists while on active duty, or to a commissioned officer who voluntarily enters on extended activity duty beyond that required by the acceptance of a commission. Upon re-enlistment or commencement of voluntary extended duty, the employee is not eligible for reinstatement.

Section 14. - MEDICAL LEAVE

A leave of absence without pay due to a disabling illness, injury, or condition may be granted by the Employer upon exhaustion of accumulated sick leave, upon presentation of evidence as to the probable date of return to active work status. The employee must demonstrate that the probable length of disability will not exceed six (6) months. The granting of a leave of absence without pay will be subject to the rules regarding leaves of absence without pay.

- A. A medical examination or satisfactory written documentation substantiating the cause, nature, and extent of the disabling illness, injury, or condition shall be required prior to the granting of a leave of absence unless the employee is hospitalized at the time of the leave of absence is to begin.

The employee requesting reinstatement from a medical leave upon the submission of appropriate medical documentation establishing that the disabling illness, injury, or condition no longer exists, and must show that the employee has recovered sufficiently from the disabling illness, injury, or condition so as to be able to perform the substantial and material duties of the position to which reinstatement is sought. The cost of such examination shall be paid by the employee.

D. Failure to be Reinstated. An employee who fails to apply for reinstatement or is not found to be fit for reinstatement after proper application and examination, shall be ineligible for reinstatement and shall be deemed as permanently separated from service as of the date which the employee was given a leave without pay.

A classification wage scale shall be established as found in Appendix C.

All non-probationary employees shall progress to the next step in their respective classification if another step is available as set out in Appendix C of this Agreement effective March 22, 2015.

Employees employed upon execution of this Agreement by the Board of Lake County Commissioners and the Lake County Prosecuting Attorney shall receive back pay for each full week in the active pay status, to and including March 22, 2015. If the move is considered lateral, the employee's step and hourly rate shall remain the same. If the move is considered down, the employee's step and hourly rate shall be set at the step equal to their present step at the applicable rate of the classification they are being assigned. In all cases, the employee shall progress yearly as established above if wage scale allows.

Promotion shall be those classifications that have an entry and top rate higher than their present schedule.

Lateral are those classifications that have the same entry and top rates of their present schedule.

#### Section 2.

In the event an employee has more than two (2) suspensions of three (3) days or less in a rotating year, the third suspension may be processed through the grievance procedure including arbitration, which shall be the final resolve to the issue and sole and

ARTICLE 31

COMPLAINTS AND GRIEVANCE PROCEDURE

Section 1.

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to complaints which may arise as a result of employment. The parties encourage efforts by employees or their authorized Union representatives and supervisors to discuss and resolve any complaints or differences orally and outside the formal terms and provisions of this Grievance Procedure.

Section 2.

The term "grievance" shall mean an allegation that there has been a breach, misinterpretation, or improper application of this Agreement. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement.

Section 3.

A formal grievance shall be reduced to writing. All grievances must contain the following information and must be filed using the grievance form mutually agreed upon by the Union and the Employer:

1. Aggrieved employee's name
2. Date of the event leading to the grievance

3. A description of the incident giving rise to the grievance
4. Date grievance was filed in writing
5. Specific Articles of the Agreement violated
6. Desired remedy to resolve the grievance
7. Signature of Union representative

#### Section 4.

All grievances must be processed at the proper step in order to be considered at the subsequent step. Nothing contained herein is meant to preclude the parties from mutually agreeing to waive one or more steps of the grievance procedure and process the grievance at a higher step.

Any grievance not answered by the Employer within the stipulated time limits may be advanced by the Union to the next step in the grievance procedure. All time limits on grievances may be extended upon mutual consent of the parties.

#### Section 5.

It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum interruption of work schedules. Every responsible effort shall be made by the Employer and the Union to effect the resolution of grievances at the earliest step possible. Toward this objective, the following procedure shall be as follows:

STEP 1 - The Union Steward shall refer the written grievance to the appropriate Department Head within ten (10) work days of the occurrence which gave rise to the grievance. The Department Head shall have ten (10) work days in which to schedule a meeting with the Union representative. The Department Head shall investigate and respond in writing to the Union representative within ten (10) work days following the meeting date.

STEP 2 - If the grievance is not resolved at Step 1, the Union may refer the grievance to the Prosecutor, within fifteen (15) work days after receiving the Step 1 reply. The Prosecutor or his designee shall have fifteen (15) work days in which to schedule a meeting with the Union representative.

The Prosecutor/or designee shall investigate and respond in writing to the Union representative within fifteen (15) work days following the meeting.

STEP 3. Arbitration - If the grievance is not satisfactorily settled in Step 3, the Union may make a written request that the grievance be submitted to Arbitration. A request for arbitration must be submitted within thirty (30) calendar days following the date the grievance was answered in Step 2 of the grievance procedure. In the event the grievance is not referred to arbitration within the time limits

prescribed, the grievance shall be considered resolved based upon the second step reply.

The Employer and the Union representative shall agree to request a list of seven (7) impartial arbitrators, selected from a Sub-Regional pool, from FMCS within ten (10) working days of submission of the request for arbitration. The parties shall meet to select an arbitrator within ten (10) working days of receipt of the list.

For the first arbitration between the Employer and the Union during the term of this Agreement, the Union shall be the first to strike a name from the list, then the other party shall strike a name, and alternate in this manner until one name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. All procedures relative to the hearing shall be in accordance with the rules and regulations of the FMCS.

For subsequent arbitrations, the first strike shall alternate between the parties.

The arbitrator shall hold the arbitration promptly and issue a decision within a reasonable time thereafter.

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any provision of this Agreement, in arriving at a determination on any issue presented that is proper within the limitations expressed

herein. The arbitrator shall have no authority to determine any other issues not so submitted or to submit observation or, declarations of opinion which are not directly essential in reaching a decision on the issues in question.

The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

The decision of the arbitrator shall be binding upon the Union, and the Employer. All cost directly related to the service of the arbitrator shall be equally divided between the Employer and the Union. Expense of any witnesses shall be borne, if any, by the party calling the witness. The fees of the court reports shall be paid by the party asking for one; such fees shall be split equally if both parties desire a court reporter's recording, or request a copy of any transcript.

Section 1.

When the Lake County Prosecutor declare an emergency in a case that would present a clear and present danger to Bargaining Unit employees that effects the closing of the court system or Bargaining Unit members; where employees do not have to report to work until a certain time, or should the emergency cause the closing for the day, the employees shall be credited as time worked for those hours declared emergency.

In an attempt to clarify Declared Emergency Days and compensation for such occurrences, the parties agree to the following, in conjunction with the provisions of Article 33.

- A. The Employer reserves the right to determine if an event is considered a declared emergency, such as weather conditions or mechanical failures, which affects the work schedules of its employees.
  
- B. The Employer reserves the right to determine if the emergency causes the closing of a department, division, location, shift, work week, or any part of such designations. Employees may be reassigned to work in a different location or department in the event of partial closures.

Where such partial closure occurs, employees who are required to remain or report to work "to cover the emergency" shall be compensated pursuant to the provisions of the contracts governing compensation.

- C. Events such as riots, civil disorders, earthquake, tornado, flood, nuclear disaster, or other similar events that are catastrophe in nature, shall not be considered a declared emergency under the terms of the agreement that requires compensation. In the event the Prosecutor takes action to compensate employees in any manner for such events, Bargaining Unit employees shall be compensated in the same manner as other non bargaining employees.
- D. In cases where the Employer designates a portion of a shift as a declared emergency, employees may be required to report to work at designated times.
- E. When the designated emergency hours are at the end of a shift, employees who fail or failed to report for the designated portion of working hours shall not be eligible for compensation for hours credited as emergency hours.
- F. When the designated emergency hours are at the beginning of a shift, employees who would have been scheduled to work, and have not scheduled such time off for any reason, shall be eligible for compensation provided they report to work at the appropriate time designated for the remainder of the shift.

Section 3.

Nothing contained herein shall preclude the Employer from obtaining judicial restraint and damages in the event of a violation of this Article.
